Welcome to the Historic Grand Prix Zandvoort 2025!

Circuit Zandvoort has a very rich history in motorsport. Once a year we celebrate this history during the Historic Grand Prix Zandvoort.

The Historic Grand Prix takes you back in time. It is a unique experience that goes further than just racing. From the classic cars, the clothes, the music, to the food in the food courts: the Historic Grand Prix is a lifestyle.

This year's line-up is a sweet combination of GT's, Sports Cars, Formula Cars and Touring Cars. We are very proud that the following championships are competing in the Historic Grand Prix Zandvoort:

#### Championship line-up

- Masters GT Trophy & Endurance Legends
- Masters Racing Legends for 1966/1985 F1 Cars
- Masters Sports Cars Legends
- Masters Gentlemen Drivers & Pre66 Touring Cars
- Belcar Historic Cup powered by St. Paul
- NK HARC 82-90
- HSCC Derek Bell Series & F2 Classic Interseries
- HSCC Historic Formula 3 Championship
- F3 Classic Interseries
- Formula GP: Time Attack
- HGPCA Race for Pre 1966 Historic Grand Prix Cars

Thank you for participating in this historic meeting. You will drive on our F1 track, just weeks before the youngsters will take over. And we are sure you will love the layout including 2 banked corners!

This document contains all important information about the Historic Grand Prix 2025. Read this document very thoroughly so there won't be any surprises. And if you have any questions, please don't hesitate to ask!

On behalf of the HGP organisation, have a great weekend!

## Some wise words to begin with

The cars we drive have few inherent safety features. Accidents not only destroy originality but also put at risk the concessions under which we are allowed to race.

Racecar drivers are therefore required to drive in a sportsmanlike and considerate fashion, in particular avoiding contact and not indulging in aggressive driving tactics.

- During event days, only a working stock of fuel for one day may be present in the garage, awning or trailer. All other stock should remain in the fuel compound.
- The fuel should be stored in sealed containers, drums or cans.
- The working stock may not be located in the route of forklift trucks or other means of transport.
- The working stock may not exceed 400 liters and must be placed on a drip tray with a capacity of +10%.
- Two fire extinguishers with a minimum capacity of 6 liters and suitable for class B fires (liquid) must be present in direct surrounding of the storage.
- Presence of sufficient absorbents which can be used in case of spillage.

Each team is responsible for the drip trays, extinguishers, grit and absorbents. A daily check will take place to ensure that each team meets all requirements.

## Tobacco branding

During the Historic Grand Prix there are strict regulations regarding advertising of tobacco brands. All tobacco brands must be covered during the entire visit to Circuit Zandvoort. This includes expressions on cars, golf carts, banners, information signs, toolboxes, helmets, racing suits, team clothing etc., even when it is visible on historic cars / equipment.

Examples what is NOT allowed:

Logo of Marlboro is still visible and readable through the white tape. Watermark of Marlboro is still visible.

Partially taped-off logo of JPS

Logo of JPS on a toolbox

Logo on the car on displays or banners

## Trailers, race cars, motorhomes and private cars

Only race cars are allowed on the paddocks. Private cars can be parked at parking A (Parking behind Grand Stand).

After unloading, car-trailers and transporters (no big trucks) must be moved from the paddock and can be parked at the trailer parking in the far end of Paddock 2, towards turn 14, yellow square 'trailer parking' below:

## Going on and off the track for Quali's and Races
